

Manufacturing Services for Metal Structures

10 Years Under Free
Trade Agreements

- ▶ Steel Bridges
- ▶ Tunnel Arches
- ▶ Rolled Beams
- ▶ Custom-Fabricated Extra-Large Beams
- ▶ Metal Buildings and Warehouses
- ▶ Bridge Railings
- ▶ Steel Casings
- ▶ Engineering Solutions
- ▶ All types of metal structures

GRUPO
CAUZ
COLOMBIA

Our culture

We focus on **LONG-TERM SERVICE**, continuous improvement, and customer care.

Strategic location

New York

Miami

Cartagena

Barranquilla

■ 13 km from Barranquilla Port

■ 85 km from Cartagena Port

■ Offices in Miami, New York, Barranquilla, and Cartagena

Business Group with Large-Scale Projects

Over **40** years in the market

[more than **9** years manufacturing metal structures]

Over **17.500** tons produced

Sustainability Initiatives

Environmental Commitment: We donate five trees for every ton of steel sold to the mining sector to reduce our carbon footprint.

Employee Development Program: Financial and family training for our employees.

Competitive advantages

Direct delivery to the required site

Stock availability for continuous production

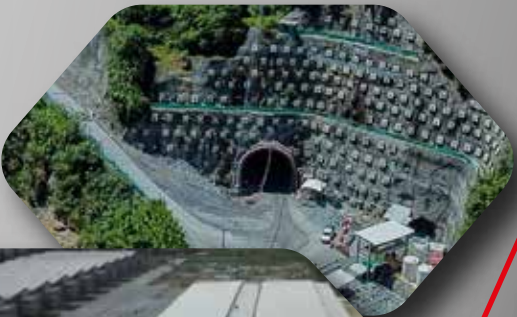

Low production costs due to a privileged location

Faster delivery times for both domestic and international markets

Proven Experience in Large-Scale Projects

▶ Toyo Tunnel (Longest tunnel in the Americas)

▶ Ituango Hydroelectric Plant (Colombia's largest hydroelectric project)

▶ Roncador Bridge (Longest bridge in Colombia)

▶ Major gold and coal mining companies

▶ Industrial warehouse construction

▶ La Línea Tunnel (Second-longest tunnel in Colombia)

Experts in Engineering Solutions

We specialize in identifying customer needs and delivering efficient, cost-effective, safe, and environmentally sustainable engineering solutions, always ensuring excellent after-sales service.

CERTIFICADO POR

- ▶ **STRUCTURA WELDING CODE – STEEL**
AWS D1.1/D1.1M: 2020
- ▶ **BRIDGE WELDING CODE**
AASHTO/AWS D1.5M/D1.5:2020
- ▶ **DESIGNATION**
AASHTO M270 / ASTM A709
ASTM A36 / A572 GR 50
- ▶ **STANDARD SPECIFICATION**
AASHTO T 243M/T243
ASTM A673/A673M-17

Technical Certifications

Certified in Colombia
and the U.S.
